DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

It is critical that ISOMATE OBLR/PLR Plus is applied as directed.

Crops	Apples, pears and other pome fruits; peaches, apricots, plums, cherries and other stone fruits; blueberries and other berry plants; hops.
Target Pest	Obliquebanded leafroller (<i>Choristoneura rosaceana</i>) and pandemis leafroller (<i>Pandemis pyrusana</i>).
Rate	Minimum of 200 dispensers per acre. Maximum of 400 dispensers per acre. Apply double rate of dispensers to edges of orchard. Do not exceed 150 g a.i. per acre per year.
Application	Place dispensers on lateral branches in upper third of tree canopy. Apply dispensers uniformly in the treated area.
Timing	Apply prior to leafroller emergence in the spring. If subsequent applications are required, apply prior to the start of subsequent flights. Consult your local pest control advisor or Pacific Biocontrol representative for proper timing or estimated dispenser longevity in your area.
Mode of Action and Management	ISOMATE OBLR/PLR Plus suppresses mating of target pests. Immigration of mated female moths of these species from adjacent external sources of infestation will reduce the level of control. Manage by one or more of the following: <ol style="list-style-type: none"> 1) Treating external sources of infestation with ISOMATE OBLR/PLR Plus. 2) Treating external sources of infestation with an effective insecticide. 3) Treatment of pheromone treated field with an effective insecticide.

Areawide application is most effective. Supplementary applications of an effective insecticide are advised when ISOMATE OBLR/PLR Plus is used in orchards with significant pest populations. All pests must be monitored on a regular schedule so that timely intervention with effective insecticides is possible.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage	Store in original unopened package in a dry location at temperatures below 40°F. To prevent contamination with food or feed, store only unopened product packages in cold storage facilities that are used for food or feed.
Pesticide Disposal	Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal	Nonrefillable container. Do not reuse or refill this container. Dispose of empty foil packet in the trash.

WARRANTY AND LIMITATION OF DAMAGES
